

REACH 241 SVHC's Compliance

Statement Issue Date: September 26, 2024

Subject: REACH 241 Substances of Very High Concern (SVHC)

Products Covered: All products manufactured by Masterclock, Inc.

REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals, EC 1907/2006) is the European Union's regulatory framework for chemical substances. Under REACH, Masterclock is obligated to provide customers with adequate information regarding Substances of Very High Concern (SVHC) present in products at concentrations exceeding 0.1% by weight (w/w) to ensure their safe use.

In compliance with these regulations, Masterclock certifies that, to the best of its knowledge, all products manufactured and supplied do not contain any substances listed on the Candidate List of SVHCs (updated 27 June 2024, REACH 241 SVHC) in concentrations above 0.1% by weight by weight.

Masterclock, Inc. is committed to ongoing compliance with regulatory requirements through continuous review of raw materials, processes, and vendor assessments.

A handwritten signature in black ink, appearing to read "Kevin Foster". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Kevin Foster
